### ON YOUR PLATE

Everything we prepare and cook is fresh, nothing is pre-cooked or held.

#### Our Bacon:

We proudly use Norfolk Smoked Back Bacon - bacon prepared from center-cut boneless pork loin, and cold-smoked at a low temperature over a long period of time, ensuring that you get the maximum smoke penetration giving the meat a richer taste, all grilled to perfection and freshly cooked on demand.

#### Our Cumberland Sausages:

Our top of the range traditional Cumberland Sausages are made from boneless pork cuts and includes pork fat, de-rinded to remove any skin and gristle from the sausage, delivered and cut daily to ensure nothing but freshness to your plate.

#### Our Home-made Pancakes:

We prioritise coming in early to whip up and mix fresh pancake batter every morning, ensuring freshness and tastefulness using the highest quality of ingredients, with added extracts of vanilla essence to ensure that light, but sweet tooth craving. All pancakes are strictly cooked upon demand, never pre-cooked or reheated.

#### Our Portobello Mushrooms:

Our portobello mushrooms have always been a factor of our success, with its rich, savoury flavour, and dense, toothsome texture. Our fresh mushrooms are delivered per business morning, sliced and cooked with lightly salted butter in a mixture of herbs, ensuring maximum flavour

#### Our Home-made Burgers:

Our burgers consist of premium cut, grass fed beef. Each patty is cooked to your desire, ensuring beyond satisfactory texture, taste, and succulence. Seasoned with rock salt and freshly cracked pepper, the simplicity unlocks our tender meats potential flavour.
